Wedding Guide

Your Celebration

The Celebration of a wedding is a joyous and holy occasion for a couple, their families and friends. The Wedding service is a witness to the Christian conviction that marriage was instituted and blessed by God.

Boone Memorial Presbyterian Church wants the preparation time for your wedding to be a period of growth in your understanding of Christian marriage.

The wedding policy and traditions of Boone Memorial Presbyterian Church have been developed over the years to ensure the beauty and dignity of the wedding ceremony.

In order to help you plan your wedding with an understanding of these policies and traditions, the following information is provided.

Scheduling Your Wedding

To schedule a wedding at Boone Memorial Presbyterian Church, you need to follow the procedures listed below:

Call the Church Office – and check to see if the date you would like is available on the church calendar.

Request a Date – If the requested date is available, the date can be *penciled in* on the church calendar. However, the date is not considered **confirmed** until we receive a completed wedding information form and \$250 deposit. The money is applied to the wedding fees. (See **Fees** (p. 6))

Pastor Notified – The pastor and wedding coordinator will be notified of the **requested date**.

Schedule an Appointment – If it is your wish to have an outside pastor perform your wedding service, permission must be granted in advance by the Boone Memorial Presbyterian Church Session. If you wish to have the Boone Memorial Presbyterian Church pastor perform your wedding service, the next step is to meet with the pastor.

Professional Services Fee – Once the fee has been received and the wedding date is confirmed on the church calendar, our **wedding coordinator** will contact you. The wedding coordinator will advise you on wedding policies, assist the officiating pastor at the rehearsal, and will be present at the church prior to the wedding service. She will serve as a resource and guide to the wedding party.

Our Policies

Music: - All music must be in keeping with the dignity and sacredness of the occasion and must be mutually agreed upon by the wedding couple and the Director of Music. The use of any instruments, other than piano and organ, must be approved in advance by the officiating pastor and Director of Music.

It is our policy that the church organist plays at all weddings held at Boone Memorial Presbyterian Church. If the church organist isn't available, a list of qualified organists will be provided.

Decorations: Please consult with the wedding coordinator about all decorations. No nails, tacks, or screws are inserted into any part of the building's woodwork. No carpentry work, artificial platforms or other structures are allowed within the building. It is the responsibility of the wedding couple to notify their florist of these requirements.
